

Warwickshire vs Oxfordshire at Olton Golf Club

Speaking to Terry, the Oxfordshire Captain, their team have had a successful season winning most of their matches so expectations were slightly low on a rainy day at Olton Golf Course.

The course itself was in great condition and all the matches were fairly close so a 4-4 draw was probably a fair result and an improvement on the match at Matlock the previous week.

The food and service was excellent and the Warwickshire team left in buoyant mood.

The season score now 4-3 against, next up Hereford and Shropshire at Harborne GC on Wednesday 7th August.

Jez Williams presented the trophy to Oxfordshire Captain Terry Killick as Oxfordshire won it in 2023 so retain it for 2024
