

Warwickshire vs Buckinghamshire at Nuneaton Golf Club

After early rain on the day the weather was kind to us in our penultimate match against Buckinghamshire at Nuneaton Golf Club.

The Course was in great condition and in the early matches it was close with the first four in the score was 2-2 but Warwickshire had a late surge eventually winning 6-2 to take back the shield which John Loynton donated.

The season is now all square with one match to play against Leicester at Coventry next week.

The host club did a great Job with the Catering as all the players enjoyed a Lasagne meal.

Buckinghamshire Captain Colin Elwell held up the trophy, donated by John Loynton last year, and mentioned that Buckinghamshire was the first name on it but now it was Warwickshire's turn to hold it following their 6-2 win. He then presented the trophy to Jez Williams.
