

Warwickshire vs Leicestershire at Coventry Golf Club

Warwickshire finished their season with a home game against Leicestershire at Coventry Golf Club which, like all the games this year, was in great condition and the catering was first class.

Unfortunately the match did not go our way with a bit of a drumming 7-1 meaning the season finished won 4 lost 5 and drawn 2.

Can I take this opportunity to thank the council and especially Tony Ranger for their hard work organising the matches for what was a very enjoyable season.
