

## Warwickshire vs Derbyshire at Kenilworth Golf Club

Matlock hosted the match in drizzling conditions which, it turned out, did not suit the Warwickshire team with a bit of a drumming 7-1.

I'm sure the views from the course are stunning however the cloud never got high enough to see them.

Afterwards we were treated to a Fish and Chip dinner which was is a Matlock speciality and was very good.

Season total now 3 1/2 2 1/2 against so need a win soon.

Due to the drizzle the only photo was that of the first game with Captain Jez Williams and his Sutton Coldfield Compatriot Bob Fletcher lining up with the Derbyshire Captain Ken Holland and his partner, Andy Brown.
